DECEMBER MONTH ACTIVITY SCHEDULE FOR CLASSES NURSERY AND PRE-PRIMARY

Dear Parents,

December is the first month of winter, the last month of the year and the most favourite month for children as it brings the excitement of Christmas all around the world. The nature of this month is in favour to the improvement of the health of the students as the students enjoy healthy and warm food. A lot of activities are going to be organized which are going to be helpful for the overall development of our tiny tots. Keeping in view of this, we have planned activities which are mentioned below: Parent's support is highly expected for the fruitful learning.

Activity/ Week/ Celebration Name	Date	Description	Parent's Support
Experi mental activity	6-12-22	Teacher will make students understand the concept of sense organs using "learning by doing method" with the help of different objects like sugar, salt, pen, musical instruments. 	Ask your ward about the sense organs while doing different activities
Life Skill Seminar on Personal Hygiene	7-12-22	Personal Hygiene is one of the best ways to protect ourselves from getting infectious diseases such as cold and flu. Teacher will take the workshop on Personal Hygiene and make them aware how to protect our self & from spreading diseases to other people.	Discuss with your child about the Personal Hygiene at home. Make them habit to wash hands before and after taking meals, Daily take bath, trimming nails.
Red Colour Day Celebration	14-12-22	Colour Recognition is a key cognitive development step for toddlers. It is important for the kids to recognize different colours in creative and playful method. Children will come in red colour costume along with one red colour object or toy.	Make your ward recognize red colour objects available around them.
Maths Week: 19 th -22 nd November 2022	19-12-22	Shapey-Shapey - Shapes are all around. Learning shapes help children identify and organize visual information. Students will make sandwich with different cutouts of food items.	Parents will send cutouts/slices of food items Tomato- 2 slices(Circle) Carrot- 6pieces(Rectangle) Bread- 1 slice Cucumber- 4pieces(Triangle)
	20-12-22	Go on a Shape Hunt -Teacher will hide different cutouts of shapes in different corners or places in the ground	Parents will prepare their ward for the activity and make them familiar with the shapes.

		and then she will ask them to go and search the shapes. After searching student will tell the name of the shape.	
	21-12-22	Life with Mathematics: Student will be given chance to know different concepts of Mathematics through the floor activity with their classmates.	Parent will discuss Mathematical concepts like Big-Small, Tall-Short, After, In-between and Before number etc.
	22-12-22	Outdoor games related to number and shapes *Hopscotch, Number cone etc. *Worksheet will be given related to numbers and shapes	Parents will engage their wards in outdoor activities. Parents guide your ward while doing worksheet
Christmas Day Celebration-Special Assembly	23-12-22	Christmas is one of the most awaited festivals for kids. It is celebrated with joy and happiness. Christmas Day will be celebrated in the School on 23rd Dec. There will be dance performance by your ward and they will get a chance to enjoy the winter with Snowman Bowling activity.	Dress up your ward for Fairy dress in white/pink/red frill frock or gown for girls and 'Santa claus costume' for boys or as per the requirement for Christmas programme in special assembly. Kindly give your confirmation for participation by 16 th for further planning.
Friday Activity: 'Vegetable Printing'	2-12-22	Students will be familiarized with vegetable printing in a group activity.	Parents will send any one vegetable like broccoli, cauliflower, potatoes, carrots etc.
	9-12-22	Students will make a Bunch of Flowers on a designed sheet with vegetable printing.	Make your ward practice Vegetable printing at home.
	16-12-22	Students will make New Year Card for Respected Principal Sir with the help of vegetable printing.	Parents are requested to send 1 A4 size sheet of light colour.

Important information regarding enhancement of General Knowledge of Students:

Development Covered	Description
Personality of the Month President of India	Teacher will make the students familiar with Hon'ble President of India, Smt. Droupadi Murmu Ji.
State of the Month "Jammu & Kashmir"	Teacher will make the students familiar about the Jammu & Kashmir state. Practice and reinforce student's knowledge of the state name, dress, food through live demonstration & different slides on smart board.
Cartoon of the Month "Mickey Mouse"	Mickey Mouse is an animated cartoon character co-created in 1928 by Walt Disney and Bulwarks. Mickey is an anthropomorphic mouse who typically wear shorts, large yellow shoes, and white gloves
Colour of the Month "Red"	The red colour symbolizes energy, passion, strength, courage, physical activity, creativity, warmth and security.

Important Information :
