CIRCULAR: SAFETY & SECURITY OF STUDENTS

Dear Parents,

The safety and security of our students is the school's highest priority. To ensure a safe and secure environment for every child, all parents are requested to follow the instructions given below strictly.

1. **Transparent Water Bottles:** Kindly send your ward to school with a transparent, soft-plastic water bottle only. This will enable teachers to observe the water inside the bottle whenever necessary.
2. **Daily School Bag Checking:** Parents must check their ward's school bag every day before sending them to school. Ensure that no prohibited, dangerous or unnecessary items are carried to school, either intentionally or unknowingly.
3. **Strictly Prohibited Items:** Students must not bring any of the following items to school:
    - Sharp objects such as knives, blades, cutters, scissors with pointed tips, needles or any other sharp instruments.
    - Flammable or combustible liquids, including petrol, kerosene, thinner, lighter fluid or similar substances.
    - Fire-producing objects such as lighters, matchboxes, gas lighters or any other ignition devices.
    - Crackers, fireworks, sparklers or any explosive or pyrotechnic items.
    - Steel water bottles, hard bottles, glass bottles or any heavy, rigid bottle that could cause injury.
    - Any other object that may pose a risk to the safety and security of students or school staff.
4. **Parental Responsibility:** Parents are requested to explain these safety rules to their children and ensure that they do not carry any prohibited item to school under any circumstances.
5. **School Cooperation:** The school reserves the right to take appropriate action in accordance with school rules and applicable guidelines if a student is found carrying any prohibited or dangerous item.

We seek your active cooperation in maintaining a safe, disciplined and child-friendly school environment. Kindly sign and return the acknowledgement slip given below to confirm that you have read and understood these instructions. **Your cooperation is essential for the safety of every child.**

Principal
