Student Achievement Report: A Proud Moment for Our School

We are delighted to share a moment of immense pride and honor for our school community. Our student, **Shodon Nikhil Sharma**, has achieved a remarkable milestone by earning the prestigious **Black Belt** from the Shodon Martial Arts Organization.

Achieving a Black Belt is not just a recognition of physical strength, but a true testament to years of rigorous training, perseverance, discipline, and mental resilience. Nikhil's journey reflects his unwavering commitment to excellence and his determination to overcome challenges through consistent hard work. His dedication towards martial arts showcases qualities such as focus, self-control, and confidence—values that align with the holistic development we encourage in our students.

This outstanding accomplishment brings great pride to the entire school. It serves as an inspiration for fellow students to pursue their passions with sincerity and determination, and to strive for excellence in all fields—academic as well as co-curricular.

The school management, along with the staff, extends its heartfelt congratulations and best wishes to Nikhil Sharma on this significant achievement. We applaud his efforts and commend his spirit of perseverance. We are confident that he will continue to excel and bring many more laurels in the future.

We wish him continued success in all his future endeavors and encourage him to keep striving for greater heights.
